BOOK SYNOPSIS

This book is a collection of more than 250 job-specific Spanish language commands, statements, and questions that help optometrists better serve their Spanish-speaking patients. No prior knowledge of Spanish is required to use this book. Practicing optometrists and native Spanish-speakers have reviewed the book for authenticity/accuracy. The book and two CDs help optometrists conduct a primary assessment, perform eye exams, discuss diagnoses/treatment, and much more.
